

Swift Motorhomes

Owners' Club

Now you are the proud owner of a Swift, Bessacarr, Autocruise, Ace or Mondial motorhome, why not add to your enjoyment and join the Swift Motorhomes Owners' Club, where you will have the opportunity to meet like-minded people and benefit from their experience and friendship.

Founded in 1989, the club has a reputation for friendliness and comradeship. Membership stands at around 400 units ranging from the earliest models to the latest off the production line.

Our members come from all walks of life, enjoying a variety of interests - especially motorhoming and regardless of their experience, members enjoy the friendship gained by doing a variety of different things, visiting different places and benefiting from the freedom that owning a motorhome brings.

Rallies are held across the country throughout the year, often coinciding with national or local shows or events. Some rallies are held on smaller sites where members'

vehicles total 10-20. Larger rallies can attract far greater numbers. Entertainment and socialising is often arranged in a room or hall hired on site, but individual freedom and privacy is respected.

Holidaying Abroad. Some club rallies are held abroad. It is much more fun to travel abroad with a party of friends. These rallies are particularly helpful for those taking their motorhome abroad for the first time. The club can negotiate some very special discounts for members purchasing ferry tickets.

The Club Newsletter is sent out quarterly to all members. As well as news of club activities and details of forthcoming rallies, it contains hints and tips, members' recommendations, sales and wants, touring information and various other matters of interest.

Special visits are arranged to the Swift factory, so you can see for yourself the modern production facilities, catch up with all the latest developments in the industry and talk to those who make our motorhomes.
